

# Sponsorship Registration

## Science on the Green

### Golf Tournament

Dear Sponsor:

The World of Wonders Science Museum is asking for your support in our *1<sup>st</sup> Science on the Green Golf Tournament*. We have recently contracted with the San Francisco Exploratorium to provide us with up to date and ever changing exhibits for the next three years. The Exploratorium will also help us set up and implement curriculum for schools and other museum programs. All proceeds raised at this tournament will go specifically to the *World of Wonder's Exhibit Fund* to provide hands-on exhibits in the museum for the children in the Central Valley.

Your generous contributions are greatly appreciated. You may lend your support by becoming a Tournament Sponsor, gifting a raffle prize(s), or just enjoy a wonderful day of golf with us on **Monday, April 14, 2008** at Woodbridge Golf & Country Club.
