

***Science at Michael-David Winery's Bare Ranch
August 8th***

Greetings from the WOW,

I am writing to invite you to consider donating a silent auction item to the World of Wonders Science Museum's fundraiser on August 8th, from 6pm-9pm, in the lovely gardens of Bare Ranch. All proceeds will benefit the World of Wonders (WOW) Science Museum headquartered in historic downtown Lodi.

Now open full time, the WOW Science Museum is a 9,000 sq. ft. museum, which provides a place where children and adults can learn about the world around them through science! The museum has a cooperative partnership with the San Francisco Exploratorium and houses 30-40 world-class educational, hands-on exhibits, many from the Exploratorium. Visitors of the museum will have the opportunity to participate in the process of scientific discovery through manipulating hands-on exhibits, watching scientific demonstrations, or participating in edutainment scientific projects.

Your donation will help the World of Wonders Science Museum continue its valuable educational and cultural benefits for the whole Central Valley. In return, we will recognize your donation in the event program and on the WOW website.

The WOW Science Museum is a 501(c) (3) nonprofit organization (Federal Tax ID #20-3075595). Your donation is tax deductible.

Sincerely,

Barbara den Hartog
