

WOW Scavenger Hunt

Grades: K-3

Bubble Table: Make the biggest bubble you can. Whether big or small, what is the shape of your bubble?

Plasma Ball: Touch the glass sphere. Move your fingers over the surface. What happens to the streaks of light?

Lego Race: Challenge a friend to a race! Build a lego car and push it down the ramp. Who's car was the fastest? Draw a picture of your car.

Reaction Time: Challenge a friend to see who has faster reflexes. Was your reaction time faster than the blink of an eye (.3 seconds)? _____

MagnaTiles: As a team how many magnatiles does it take to complete one building?

Museum Kites: Look around the Museum, and pick out your favorite kite. What does it look like? Describe or draw it below.

Turntable: Roll a few items over the turntable. Like a tire on a car, the center of this disk moves _____ then the outer edge.
